**ACADEMIC FACULTY EXPERIENCE:**

- 1979-82 Anatomy and Physiology of Pregnancy, University of California, San Francisco, Obstetrics and Gynecology, Nurse Practitioner Course
- 1990-92 Teaching Assistant, University of California, San Francisco, Nursing 258A, Child Bearing Theory. (Course name change in 1992 to "Feminist Perspectives in Women's Health")
- 1992-93 Teaching Assistant, University of California, San Francisco, Nursing 404, "Clinical Residency" taught seminars fall and winter quarters in research critique to Masters Nurse-Midwifery Students
- 1993 Teaching Assistant, University of California, San Francisco, Nursing 211B, "Critique in Women's Health Issues Research"
- 1993 Teaching Assistant, University of California, San Francisco, Nursing 231, "Issues in Nurse-Midwifery Practice", designed course on the professional role of nurse-midwives and issues of practice, policy, and politics
- 1995 Co-taught courses in Medical Anthropology "Health and Human Survival," & "Poverty and Health" University of California San Francisco
- 1995 Sociology 214, "Qualitative Analysis-Using Diagrams for Qualitative Analysis," University of California, San Francisco
- 1995 "Statistical Methods, Sensitivity, Specificity and Prevalence," for Nurse-Midwifery Students, University of California, San Francisco
- 1997 Dominican College, School of Nursing, San Rafael, CA
- 1997 MSN Specialty International Health, University of California, San Francisco, School of Nursing
- 1997-present Associate Professor, University of California, Berkeley, School of Public Health, MCH Program.
- 2002-present Associate Professor in Residence, University of California, San Francisco, School of Medicine, Dept. of OB-GYN & Reproductive Sciences

**CLINICAL FACULTY APPOINTMENTS:**

- 1979 Family Planning Nurse Practitioner Program-Preceptor for students, University of California, San Francisco
- 1979-84 Clinical supervision and preceptor site for integration module of graduating student Nurse-Midwives. Nurse-Midwifery Program
- 1982-84 Supervision and Training for Physicians' Assistant Students, Women's Health Care Training Project, Primary Care Associate's
- 1982-83 Department of Nursing-Clinical Supervisor Site, College of Marin
- 1983-90 Preceptor For Residency For Master's Student - Maternal Clinical Specialists And Nurse-Midwifery Students, Department Of Family Health Care, University of California, San Francisco
- 1984-90 Preceptor for Obstetrics and Gynecology Rotation for Senior BSN Students, Dominican College, San Rafael
- 1988-91 Adjunct Professor, Preceptor for MSN/FNP student, Sonoma State University
- 1989 Preceptor for gynecology and family planning visits for nurse-midwifery student, San Francisco General Hospital

- 1992 Regional Training Center for Family Planning, Emory University School of Medicine  
 1994 Education Programs Associates, Nurse-Midwifery Program, Marin Maternity Services

**INTERNATIONAL CONSULTING:**

- 1989 Marimed Foundation, Training of Traditional Birth Attendants and Local Health Assistants Ailinglaplap Atoll, Marshall Islands Traveling by ship from island to island within the Atoll offering women's clinics, teaching gynecology, family planning, and prenatal clinical skills to the health workers. In addition, conducted didactic sessions on delivery skills and interpretation and follow-up of cytology and lab results. Recognition and management of STD training sessions were held for all health personnel. Paper published California Nurse,  
 1991 Infectious Diseases/STDs, *Educational Aspect*: Studied tropical medicine and infectious diseases at the Hospital Mexico, San Jose, Costa Rica with Dr. Ignacio Salon, *Research Aspect*: Investigated diagnostic efficacy of the In Pouch Trichomonas Vaginalis Culture method in three population groups of women in San Jose, Costa Rica. Principal investigators were Dr. Ken A. Borchardt, San Francisco State and Dr. Victor Hernandez, Hospital San Juan De Dios. Paper published Genitourinary Medicine  
 1992-93 Ministry of Health/Maternal Child Health Division, Provided technical assistance to the organization to revise and update the Manual of Operations, Procedures, and Protocols for Rural Health Midwives, Philippines  
 1995 Population Services International/SMP, Provided technical assistance to the Family Planning Program for private practitioners in the development of the Green Star Program, Pakistan  
 1996 Pakistan NGO Initiative, The Asia Foundation, assisted in a participatory planning process for an initiative for non-governmental organizations, Pakistan  
 1996 Population Technical Assistance Project/Uganda Busoga Diocese Project Evaluation, participated in a multi-disciplinary external evaluation of a ten-year integrated reproductive health Care/MCH/Curative Care NGO, Uganda  
 1996-97 Pathfinder International, Technical assistance, revision and development of IUD module for Family Planning Providers, Vietnam  
 1997-98 Prime/Indonesia, Consultant to INTRAH/JHPIEGO Joint Effort an a District Performance and Training Assessment of Maternal Health Care Providers  
 1998 Egypt, Pathfinder International. Consultant To Population Planning Council At The Regional Center For Training In Reproductive Health And Family Planning, Ain Shams Medical University, Cairo  
 1999 Hesperian Foundation, Field Test of 2<sup>nd</sup> Edition, A Book for Midwives, Manila, Philippines.  
 1999 Pathfinder International, Ethiopia: Conducted TOT for Reproductive Health Care Personnel  
 1999 Packard Foundation, Manila, Philippines Survey and Focus Group Study, Midwives Attitudes and Practice of Manual Vacuum Aspiration/Post Abortion Care  
 1999-00 Pathfinder International, Manual Vacuum Aspiration Module  
 2002 WHO: Technical Consultation on Contraceptive Implants  
 2002 MacArthur Foundation: Consultant on Maternal Mortality  
 2003 USAID/Family Health International, Dominican Republic, CONECTA Project, Maternal and Reproductive Health  
 2003 WHO: Technical Consultation on Maternal Mortality and Adolescents  
 2004 JSI/Egypt: Consultant to HMHC Project on Obstetrical Hemorrhage  
 2005 UNICEF, WHO, UNFPA: Partnership for Safe Motherhood, Newborn, and Child Health: Evidence-based Care for Maternal Health  
 2006 UNICEF, Yemen: Consultancy on Maternal Mortality Reduction  
 2007 MacArthur Foundation: Consultation on Global Safe Motherhood Strategy  
 2007-10 Millennium Development Villages (MDV) Project, Earth Island Institute at Columbia University with Jeffrey Sachs.

**HONORS AND AWARDS:**

- 1989-92 Federal Scholarship for Graduate Study in Nursing, National Nurse Traineeship  
1990 Sigma Theta Tau, International Nursing Honors Society  
1991-93 Scholastic Achievement and Potential for Leadership, University of California Regent's Graduate Fellowship Award, University of California, San Francisco  
1991-95 National Research Service Award (NRSA), Pre-Doctoral Fellowship, National Center for Nursing Research, National Institutes of Health.  
1993 Outstanding Service Award for Service on the Nurse Midwifery Advisory Committee, Board of Registered Nursing, Board of Registered Nursing  
1993-94 Award for Demonstrated Academic Excellence and Potential for Leadership and Service in the Nursing Profession, Nurses' Educational Fund  
1995 Distinguished Dissertation Award, School of Nursing, University of California, San Francisco  
2005 First Place: Royal College of Obstetrics and Gynecology Poster Presentation, 6<sup>th</sup> Scientific Meeting, Cairo, Egypt  
2006 Winner, American College of Nurse Midwives Notable Book, 2006: *A Book for Midwives*  
2006 Appointed, American College of Obstetricians and Gynecologists (ACOG), Committee on Prevention and Treatment of Post Partum Hemorrhage in Low Resource Settings  
2006 Appointed, Senior Technical Advisor, Gates Foundation, Feasibility of Technologies for Prevention and Management of Obstetric Hemorrhage, advisor to ABT  
2006 Invited Speaker: Women's Global Action Network, Royal Hashemite Court, Queen Rania Abdullah, Jordan  
2006 Winner, Society of Medical Anthropology, Polgar Prize for: Challenge of Cross-Cultural Clinical Trials Research: Case Report from the Tibetan Autonomous Region, People's Republic of China. *Medical Anthropology Quarterly*, 19 (3): 267-89.  
2008 Recipient, UCSF RAP (Resource Allocation Program) Flexible Mini-Sabbatical Award. To further focus efforts more intensively on current NASG research. Effective 7/1/08 – 6/30/09

**ASSOCIATIONS / MEMBERSHIPS:**

American College of Nurse-Midwives

## **RESEARCH:**

### **PAST:**

- 1989 Research Assistant, **Women's' Work and Preterm Labor Symptoms**. *Department of Family Health Care Nursing, University of California, San Francisco*
- 1989 Research Assistant, **Women's Roles during Pregnancy**.
- 1990 Research Assistant, **NCNR-RO1NRO 1459. NCNR Funded. Development of a Social Support Intervention for Pregnant African-American Women**
- 1990-91 Co-Principal Investigator, **Career Reentry for New Mothers: A Grounded Theory Study**. *Department of Social and Behavioral Sciences, University of California, San Francisco.*
- 1991 Research Assistant, **Health Care Needs of Afghan Refugee Women. Ethnographic study of Northern California Afghani refugees**. *Department of Mental Health, Community, and Administrative Nursing.*
- 1994-95 Co-Principal Investigator, **Adolescent Implant Decision-Making: Selection, Rejection, and Insertion Rate Decline**. *Stuart Family Fund.*
- 1995-97 Principal Investigator, **"Nurse-Midwife Physician Collaborative Practice."** *Department of Obstetrics, Gynecology, and Reproductive Sciences, University of California San Francisco.*
- 1997-98 Principal Investigator, **"Training Needs Assessment of Maternal and Child Health Managers and Analysts, Regions IX and X"**. *National Institute of Health.*
- 1997-98 Principal Investigator, **"Training Needs Assessment of Maternal Health Personnel in Villages and Provincial Health Centers in Java. ACNM/JHPIEGO.**
- 1999 Principal Investigator, **Adolescent Pregnancy Prevention, Salinas and Santa Cruz Parents and Adolescents**. *Packard Foundation.*
- 2001-02 Principal Investigator, **A Strategic Assessment of Reproductive Health in the Dominican Republic**. *United States Agency for International Development.*
- 2000-02 Director, **Programmatic Cooperative Agreement, Expanding Contraceptive Choice**. *United States Agency for International Development*, multiple research and operations research projects in Ethiopia, Kenya, Senegal, Brazil, India, Dominican Republic, and Zambia
- 2001-07 Co-Investigator, **A Self-Sustaining Perinatal Care System for Tibet**. *National Institute of Health/NICHD, U01-HD40613*
- 2007 Co-investigator, **Health and Reproductive Outcomes for Women with Near Miss Maternal Mortality in Afghanistan**. *Co-investigator on an anonymously funded project of the UCSF Family Planning Fellowship, Dr. Sadia Haider, PI.*
- 2007 Co-Investigator, PI Dr. Catherine Todd. Pilot: **Educational intervention with new health provider cadre to determine effect on birth spacing, breastfeeding, and infant vaccination completion in a Kabul antenatal population**. *NIH, K-Award, Dr. Catherine Todd*
- 2004-07 Principal Investigator, **Effectiveness of the ASG (Anti-Shock Garment) in Managing Obstetric Hemorrhage**. *The John D. and Catherine T. MacArthur Foundation*, multi-country study of a new technology to treat hypovolemic shock secondary to PPH and other obstetric hemorrhage in Egypt, Nigeria, and Mexico.

**PRESENT:**

- 2005-2010 Mentor and Co-Investigator, **Blood borne infections among perinatal patients coming for delivery at 4 hospitals in Kabul, Afghanistan.** *NIH, K-Award, Dr. Catherine Todd.*
- 2007-20012 Co-investigator and Mentor, **Maternal Health and Maternity Services in the Context of the HIV/AIDS Epidemic,** *NIMH, K-Award, Dr. Janet M. Turan*
- 2007-12 Principal Investigator, **Non-pneumatic Anti-shock Garment for Obstetrical Hemorrhage in Zambia & Zimbabwe.** Randomized Cluster Clinical Efficacy Trial of the Non-pneumatic Anti-Shock Garment. *National Institute of Health/NICHD, R01HD053129-01A1*
- 2007-20010 **Continuum of Care: Addressing Postpartum Hemorrhage in India and Nigeria**  
Subaward with *Pathfinder International, as part of a larger MacArthur Foundation award*
- 2008-2012 PI, **Cluster Randomized Trial of the NASG in Zambia and Zimbabwe**  
The Bill and Melinda Gates Foundation

**Student Research Projects:**

- 2007-current Principal Investigator, **Comparison of perineal trauma in singleton, vaginal births between Certified Nurse-Midwives and Obstetricians in a community hospital setting.**  
*Independently funded study with public health Graduate Student at UC Berkeley Maureen Browne.*
- 2007-current Principal Investigator, **Case Series to Investigate the Hemodynamic Impact of the Non-Pneumatic Anti-Shock Garment (NASG) in Post-Partum Women.** *Funded by UCSF's CTST Program (which supports resident initiated studies) with recent graduate of UCSF/UC Berkeley Joint Medical Program Felicia Lester.*
- 2008 Mentor, **The Effects of Socioeconomic Development on Daily Life and Emotions in Vietnam.** *Funded by the Pacific Rim Research Program Mini-grant, with a UCSF's Joint Medical Program (JMP) student Nadia Taylor.*
- 2008 Principal Investigator, **Non-Pneumatic Anti-Shock Garment: Assessing Patient, Family, and Provider Perspectives in Nigeria.** *Independently funded study with Stanford Medical Student Adeoti Oshinowo*

**PEER REVIEWER:**

African Journal of Reproductive Health  
Contraception  
Journal of Midwifery and Women's Health (JMWH)  
Journal of the American Medical Association  
Sexually Transmitted Infections  
Studies in Family Planning

The Global Health Council's 36<sup>th</sup> Annual International Conference on Global Health. May 26-30, 2009
- 2009 Expert Presenter: NASG for Management of Hypovolemic Shock. As part of a panel with Pathfinder International titled: Innovative approaches and technologies for postpartum hemorrhage prevention, identification and management. The Global Health Council's 36<sup>th</sup> Annual International Conference on Global Health. May 26-30, 2009
- 2009 Lester, F., **Miller, S.** Vargas, J. Case Series to Investigate the Hemodynamic Impact of the Non-pneumatic Anti-Shock Garment (NASG) in Post-Partum Women. Poster Presentation. CTSI Resident Research Symposium for Clinical and Translational Research. University of California San Francisco. June 2, 2009.
- 2009 Meyer, C., **Miller, S.** Invited speaker: 2009 Annual Association of Women's Health, Obstetric & Neonatal Nurses (AWHONN) convention. As part of session: The State of Mothers: A Look

- at Global Maternal Mortality. *Maternal Death: An Unnecessary, Neglected Tragedy*. San Diego, CA June 29, 2009.
- 2009 Miller, S. Interventions one postpartum hemorrhage occurs. Expert Presenter in the series titled *Maternity Care: Interventions to Effectively Address Post-Partum Complications*. UNFPA, New York, September 22, 2009.
- 2009 Hashimy, P., Todd, C., Haider, S., Azfar, P., Arnold, R., Nasir, A., **Miller, S.** Factors Associated with Severe Maternal Morbidity in Kabul, Afghanistan. The 8th International Conference on Urban Health (ICUH), Nairobi, Kenya, October 18-23, 2009.
- 2009 Todd, C., Haider, S., Hashimy, P., Azfar, P., Arnold, R., Nasir, A., **Miller, S.** Prior Contraceptive Use and Intent to Use Among Obstetric Patients in Kabul, Afghanistan. The 8th International Conference on Urban Health (ICUH), Nairobi, Kenya, October 18-23, 2009.
- 2009 Fathalla, M., Mourad-Youssif, M., Al Hussaini, T., Turan, J., Thompson, M., Meyer, C., Pabst, M., **Miller, S.** Non-Atonic Obstetric Hemorrhage: Will the Non-pneumatic Anti-Shock Garment (NASG) Help? *Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009.
- 2009 **Miller, S.**, Mourad-Youssif, M., Fathalla, M., Al-Hussaini, T., Meyer, C., Camlin, C., Butrick, E., Ismail, S. Non-pneumatic Anti-Shock Garment (NASG) Reduces Extreme Adverse Outcomes from Obstetric Hemorrhage and Shock in Egyptian Hospitals. *Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Mourad-Youssif, M., Fathalla, M., Al-Hussaini, T., Martin, H., Turan, J., Mitchell, R., Camlin, C., **Miller, S.** Treatment with Non-pneumatic Anti-Shock Garment (NASG) Improves Outcomes for Women with PPH/Uterine Atony in Egyptian Referral Facilities. *Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009.
- 2009 Ojengbede, OA, Morhason-Bello, IO, Galadanci, H., Fabamwo, T., Nsima, D., Turan, J., Meyer, C., **Miller, S.** Non-pneumatic Anti-Shock Garment (NASG) Reduces Maternal Mortality in Four Facilities in Nigeria. *Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009.
- 2009 Galadanci, H., Fabamwo, A., Duro-Aina, T., Isakyu, A., Ojengbede, OA, McDonough, L., Oshinowo, A., **Miller, S.** Nigeria Non-atonic Gynecological and Obstetrical Hemorrhage Treated with the Non-pneumatic Anti-Shock Garment (NASG). *Poster Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Morhason-Bello, IO, Ojengbede, OA, Galadanci, H., Nsima, D., Magaji, B., Martin, H., Butrick, E., **Miller, S.** The Non-pneumatic Anti-Shock Garment (NASG) for Managing Uterine Atony and Hypovolemic Shock: Four Nigerian Hospitals. *Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Turan, J., Ojengbede, OA, Mourad-Youssif, M., Morhason-Bello, IO, Fathalla, M., Martin, H., **Miller, S.** Delays in Obtaining Treatment for Postpartum and Postabortion Hemorrhage in Low Resource Settings: The Role of the Non-Pneumatic Anti-Shock Garment (NASG). *Poster Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Mkumba, G., Anderson, A., Kaseba, C., **Miller, S.** A Randomized Cluster Trial of the NASG for the Treatment of Obstetric Hemorrhage and Hypovolemic Shock: Interim Analysis of Patient Outcomes in a Referral Hospital, Lusaka Zambia. *Abstract Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Kaseba, C., Anderson, A., Mkumba, G., Butrick, E., **Miller, S.** A Randomized Cluster Trial of the NASG for the Treatment of Obstetric Hemorrhage and Hypovolemic Shock in Zambia: Challenges, Lessons Learned and Proposed Solutions. *Abstract Presentation XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town, South Africa, October 4-9, 2009
- 2009 Lester, F., Vargas, J., **Miller, S.**, Symposium: Case Series to Investigate the Hemodynamic Impact of the Non-Pneumatic Anti-Shock Garment (NASG) in Post-Partum Women. XIX FIGO World Congress of Gynecology and Obstetrics, Cape Town, South Africa, October 4-9, 2009

**Community and Volunteer Activities:**

- 2004 **Get Out the Vote:** Telephone and door-to-door polling in swing states to encourage voters to think about the issues and to register to vote and then to go to the polling places and vote on election day.
- 2005 **NO on 73:** Telephone and in-person leafleting and discussion with groups and individuals on the harmful physical and emotional outcomes of the California Proposition, 73: Parental Notification Measure. Proposition 73 would have amended the state constitution to require health care providers to inform a parent or guardian 48 hours before performing an abortion on an unmarried minor.
- 2004- present **MFA:** Volunteer for Music for America a, youth mobilization effort that uses the music community as a gateway for rousing, enlightening and empowering American youth to join in the political process.
- 2008 **Obama Campaign**
- 2009 **Save Sorich Park,** Preserving Open Space
