This is the perfect way to honor your mother on Mother's Day. Support the distribution of LifeWraps™ in developing countries where every year over 500,000 women die needlessly of complications related to childbirth.

Implemented by Safe Motherhood Programs at University of California, San Francisco, the LifeWrap is a simple, reusable, first-aid device made of neoprene and Velcro, that wraps around the lower part of a woman's body. The LifeWrap is designed to save the lives of women suffering from obstetric hemorrhage, **the number one cause of maternal mortality.**

The cost of a LifeWrap which can be used up to 50 times is \$160. This can be achieved if:

- ◆ 4 people give \$40
- ◆ 2 people give \$80
- ◆ 1 person gives \$160

Join this life saving program by contributing toward the cost of providing and distributing LifeWraps for clinics throughout developing countries. Please spread the word about this important life saving program by forwarding this message to your friends.

To make an online tax deductible donation, please visit www.lifewraps.org and click on "Donate Now" OR send a check to Safe Motherhood Programs, UCSF Box 0248 San Francisco, CA 94143-0248. (UCSF Foundation Tax ID 94-2829914)

For every gift of \$160 or over, a gift card with a beautiful photograph will be sent in your name to the person you wish to honor. Please include honoree's name and address if you are sending a check by mail. For further information call (415) 597-9205 or email lifewrapsinfo@gmail.com.

Thank you for your support.

All contributions are tax-deductible to the limits allowed by law. The UCSF Foundation is a 501(c)(3) non-profit public benefit organization established to promote the welfare of the University of California, San Francisco campus by raising funds to meet critical needs and involving friends and supporters in the work of the University. A modest portion of gifts and income from them is used to defray the costs of raising and administering these funds.
